

THE  
**PHARMACEUTICAL SOCIETY OF UGANDA**

**CALL FOR EXPRESSION OF INTEREST FOR ARCHITECTURAL DESIGN AND SUPERVISION WORKS FOR  
PHASE II OF THE PHARMACY HOUSE PROJECT**

The Pharmaceutical Society of Uganda (PSU) is the professional body of Pharmacists in the country. Its governing body, the council of the Pharmaceutical Society of Uganda, is mandated to secure the highest practicable standards in the practice of Pharmacy. In 2013, the PSU council undertook the construction of Phase I of its Pharmacy house office block which was completed in 2014.

The Council now seeks to undertake the construction of phase II of its Pharmacy house commencing with a redesign of its architectural and structural drawings to cater for the changes in needs that have occurred over time.

In this regard, the Council through has resolved to identify a reputable architectural firm to provide the following services:

1. Design and architectural drawings for Pharmacy house Phase II ensuring continuity in aesthetics with Phase I of the project. A three level blocks is envisaged with feasibility for multiple commercial uses.
2. Preparation of Building plans (Floor plans) containing the Sections and Elevations, Equipment/ Furniture layout, 3D view/model and blow-ups of critical areas/computer walkthrough etc., Internal & external finishing details with an area chart, Fully dimensioned and all minute details required.
3. Seeking necessary clearances and approval from the concerned authorities & Govt. agencies and liaisoning, incorporating the changes in the scheme as per guideline and getting the scheme approved by such authorities.
4. Preparation of item-wise details of the specification, schedule of quantities, estimate, detailed working drawings.
5. Preparation of tender and related documents and form part of the team for the contractor selections.
6. Supervision of works, revision of design & drawing, co-ordination between different vendors, checking of materials & quality control, measurement of works & certification of bills and any other connected job.
7. Submission of completion report along with as-built drawing in triplicate to the Council of the Pharmaceutical Society of Uganda.

PSU hereby seeks a technical and financial proposal according to the above terms of service. The Council intends to undertake the Phase II project in stages and therefore a costed breakdown is desirable with a view of commencing construction by the 1<sup>st</sup> August 2019.

Send your technical and financial proposal to:

**The Secretary, Pharmaceutical Society of Uganda**

**P.O Box 3774, Kampala.**

**Plot 1847 Kyambogo not later than 16<sup>th</sup> May 2019.**
