2. **Pharmaceutical Distributors.**
3. **Pharmaceutical Wholesalers.**
4. **Pharmaceutical manufacturers.**
5. **Pharmaceutical Retailers**

### **What we are going to do?**

**Financial Access Commerce and Trade Services (FACTS) Uganda Limited** is a working capital financial organisation offering supply chain Finance in the pharmaceutical sector. FACTS (Uganda) is a branch of **FACTS EA BV** a Dutch Company. FACTS Uganda together with the **Medical Credit Fund** another Dutch financial organisation is organizing a breakfast meeting on the 8<sup>th</sup> /February/2018 at Hotel Africana. The aim of the meeting is to offer **working capital Finance** as well as **long term finance** to the Pharmaceutical sector.

### **Why are we doing this?**

Most medical service providers largely rely on foreign suppliers as their largest suppliers. These suppliers sometimes require advance payments before deliveries are made. This has caused a lot of imbalances in accounts receivables. FACTS Uganda intends to offer financial solution to this problem.

Some Pharmaceuticals intend to engage in rapid expansion of their businesses. This sometimes require long term finance. Medical Credit Fund (MCF) has a variety of financial solutions in this regard.

### **What to expect from the Seminar.**

From the meeting we will explain How a Pharmaceutical Business can access this finance, Both from **FACTS Uganda** and the **Medical Credit Fund**
