## Press Release

### INVESTIGATION INTO THE UNAUTHORISED RELEASE OF TWO BATCHES OF LIFE GUARD CONDOMS NUMBER 19050105 AND 19040205 INTO THE UGANDAN MARKET

The Council of the Pharmaceutical society of Uganda is the governing body of Pharmacists in the country. It is mandated to secure the highest practicable standards in the practice of Pharmacy.

In light of the recent unauthorised release of two batches of defective Life guard condoms into the market which are now being recalled, PSU council has instituted investigations on the Supervising pharmacist and the organisation that imported the condoms.

Council will further review the quality assurance systems in place at the organisation and how lapses occurred and the persons responsible.

In addition, the PSU council will review the current action taken to address the public concerns and preventive action to avoid a future occurrence.

The PSU council notes the deep concerns this has brought to the public and will be working closely with the necessary government agencies including NDA to ensure necessary action is taken both now and in the future to prevent such acts.

**Dr Opio Samuel**  
**Secretary, Pharmaceutical of Society of Uganda**
