Following the call to members to express interest in undertaking an online course in pediatrics Nutrition sponsored by the Nestlé Nutrition Institute Africa (NNIA), eighty-six (86) members expressed interest yet only twenty (20) slots were available.

Based on the criteria of first-come- first served, the following twenty (20) members (see list attached) were selected and their details have been submitted to NNIA team. NNIA team has also been notified of the other sixty-six (66) members interested in undertaking the course, and that these should be given first priority whenever the next opportunity comes.

Please note that four (4) members missed the opportunity of selection to undertake this course on grounds that they had annual membership subscription arrears and were as such disqualified.

Yours faithfully,
