To All Pharmacists

CALL FOR APPLICATIONS: RECOGNITION AS SPECIALISTS IN PHARMACY

Pursuant to Section 21 of the Pharmacy and Drugs Act, the Pharmaceutical Society of Uganda (PSU) is committed to maintaining the highest practical standards in the practice of pharmacy. To achieve this, we are required to maintain and publish a register of pharmacists and these include pharmacists recognized as specialists.

This is to invite pharmacists who meet the following requirements to apply for recognition as specialists in different pharmacy disciplines:

1. Registration certificate as a pharmacist in Uganda
2. Valid PSU certificate of membership
3. Evidence of at least three years of practice in Uganda in the area of specialization
4. Up-to-date detailed curriculum vitae
5. Evidence of attaining a fellowship, postgraduate diploma, master's degree, or PhD in the pharmacy field of practice in the area specialization

Benefits of Being Recognized as a Specialist in Pharmacy:

- A. Career Advancement Opportunities
- B. Enhanced Professional Credibility
- C. Exclusive Networking Opportunities
- D. Increased Earning Potential
- E. Leadership Roles in Pharmacy Practice and Policy Development
- F. Recognition of Expertise

Successful applicants will be issued a certificate of recognition in their area of specialization. The register of recognized specialists and general pharmacist practitioners who are active members of the Pharmaceutical Society of Uganda will be published annually by the council and maintained on the PSU website and official publications.
