Dear Pharmacy Students and Student Leaders,

SUBJECT: REGISTRATION OF PHARMACY STUDENTS IN UGANDA AND THOSE STUDYING ABROAD

The Pharmaceutical Society of Uganda (PSU) is the national professional body for pharmacists in Uganda established by the Pharmacy and Drugs Act Cap 309 Laws of Uganda.

In exercise of her mandate to regulate and supervise the training and transfer of pharmacy students in Uganda, and provide for registration of pharmacy students, the PSU Council has been conducting a manual pharmacy students registration exercise since the year 2023 and has now transitioned to electronic system of the same.

This is to inform all pharmacy students and student leaders in Uganda that the PSU Pharmacy Students Database is now officially open following successful pre-testing and implementation of all reported feedback. The portal is as well open to pharmacy students studying outside Uganda.

You may now access the system to register and create your account. The registration deadline is 31st March of every year as you are required to annually update on your study progress. Every registered pharmacy student will be assigned a PSU pharmacy student number and shall be required to indicate the same when applying to sit the Qualifying examinations for membership into the PSU before Registration as a pharmacist in Uganda.

The portal can be accessed at : <https://students.psu.or.ug>
