TO ALL PSU members,

Dear Colleagues,

CALL FOR EXPRESSION OF INTEREST TO JOIN PSU RESEARCH & INNOVATION GROUPS

The Pharmaceutical Society of Uganda (PSU) is establishing Thematic Research and Innovation Groups to strengthen evidence-based pharmacy practice, policy advocacy, and scientific contribution of pharmacists in Uganda.

In line with Council's statutory duty to encourage conduct of research in areas of Pharmacy and Chemistry, and the PSU Strategic Plan to reposition pharmacy as a research-driven profession,

We hereby invite interested PSU members and intern pharmacists to express interest to join and lead research and innovation groups in the following priority areas:

1. Antimicrobial Stewardship (AMS) & Antimicrobial Resistance (AMR)
2. Pharmacovigilance & Patient Safety
3. Supply Chain, Access to Medicines & Medicine Pricing
4. Digital Health, e-Health & Pharmacy Informatics
5. Non-Communicable Diseases, Clinical Pharmacy & Appropriate Use of Medicines
6. Traditional, Herbal & Natural Products - Quality, Safety and Efficacy
7. Pharmaceutical Industry, Manufacturing & Quality Assurance
8. Pharmacy Education, Professional Development & Regulation
9. One Health - Human, Animal & Environmental Health
10. Public Health, Health Systems & Health Policy

The Research and innovation groups shall:

1. Write research and innovation grants
2. Conduct collaborative research, publish and generate evidence based findings.
3. Develop PSU Position Papers and Technical Briefs
4. Be mentored or/ and Mentor others in research and scientific writing
4. Represent PSU in national and international research and innovation fora

Please send a short Expression of Interest indicating your Full Name and PSU Registration No (if already registered), Area of Interest (First and Second choice), Curriculum Vitae and Research Experience/Interest
